

Larry and Janet Tryon Scholarship Award

A scholarship fund has been established with the Ogden Community School District Foundation to honor Larry and Janet Tryon, long-time educators. Larry taught and coached in Iowa for forty years. He began his career in 1964 and retired from Ogden Community Schools in 2004. Larry passed away in May 2008. With the exception of ten years that she stayed home to raise their three children, Janet also taught during this time period, retiring from Ogden Schools in 2004. While they lived and taught in five communities around Iowa, they served the longest in Ogden (1977 to 2004). In addition to being strong supporters of education, they also believed in the importance of student involvement in extracurricular and community activities in order to build good character and strong leadership qualities.
